

11.4 CUE SPRINGS WATER EXTRACTION MONTHLY MONITORING REPORT

File No: 2016/431

Mark Florence - Director

Development & Planning

For Decision

RECOMMENDATION

That Council notes the Cue Springs Water Extraction facility monitoring report content and the action undertaken where required.

INTRODUCTION

Council resolved at the March 2016 meeting that a monthly report on the operations and compliance to planning permit conditions of the Cue Springs Water Extraction facility be provided at each Council meeting.

The following table provides the latest update for the month of June.

Cue Springs Water Extraction Monthly Compliance Report			
DATE	FACILITY STATUS	COMPLIANCE STATUS	COMMENTS/ ACTIONS
April 2016	Under construction	Compliant. No issues	Final inspection before operations commence
May 2016	Construction completed. Approvals finalised. Commenced operation May 25th	Compliant. No issues reported	
June 2016	Operating	Complaint received from owner/ operator re: painting of protest sign on road carriageway. Complaint received from community re: truck arrival and departure outside permitted hours.	Sign removed by Council staff at Council cost. Complaint investigated. Not substantiated on receipt of data from owner/operator
